

Loqus Fleet appoints ACS Limited as their Solutions Partner for New Zealand

16th February 2016

Loqus Fleet is pleased to announce that ACS Limited has been appointed as its fleet solutions partner in New Zealand and have registered their first customer who is a major player in the automotive industry.

“We look forward to working closely with ACS Limited,” comments Roland Scerri, Deputy CEO, Loqus Group. “We believe that through this partnership, we will strengthen our in-country presence and will be able to reach more customers that will benefit from our fleet management solutions.”

“This is a great opportunity for all parties involved and we look forward to working with Loqus Fleet to tailor their already excellent fleet management solution to the Australasian markets,” said Scott Williams, General Manager ACS Limited.

About ACS Limited

ACS Ltd. commenced business in 1992 as a specialised OEM and supplier of Electronic and Electro/Mechanical products into the original New Zealand Automotive Manufacturing / CKD Assembly Industry. The business was registered as a NZ Limited Liability Company in 1995 and has continued to supply the NZ New and Used Import Automotive Industry since for the last two decades.
